

MULLENIX ROAD

Plat of Ridgecrest is to the right side in this drawing. Plats to the west are Lorsten [privately maintained road] and Vandecar further down Mullenix to the west of Lorsten. Please note that Tract "A", owned by Ridgecrest Homeowners Association has a wider greenbelt area to the east of Deeridge than on the west side. The developer initially established Deeridge and associated lots at the direction of the county engineers to facilitate the Deeridge entrance to be placed in such a way as to afford the maximum sight distance during egress/exit of Deeridge onto Mullenix Road.
